### RULES & REGULATIONS

All exhibits to be grown in 2019. Except in the case of late harvested type crops. All exhibits to be correctly labeled with name of variety. 10% of points will be deducted where correct variety name is not written on entry sheet of exhibitor. Judging will be in accordance with rules in Circular #50C which can be obtained from Ministry of Agriculture. All seed in classes 1 to 11 inclusive must be grown by exhibitor & not previously shown at the IPE. In sheaf classes, sheaves to be tied in two places, the top tie being immediately below heads, sheaf length in proportion to rest of sheaf, the whole being 2½" (6 cm) in diameter at the top tie. Awards will be made with conformity to this size taken into consideration. Grain used in making a sheaf - need not be grown by sheaf maker. A well-prepared exhibit of sheaves is a great asset to any show. This is an interesting exhibit to set up; for speed & convenience make a temporary mould, such as a 6 inch board with an end tacked on, to place

## The 120th Annual IPE Prize Book

the butts against & slats in two positions on each side to allow the heads to be free; before dropping the stalk into the mould you can see whether it will conform to the ones already in; when sized & tied, the butts can be trimmed with a hand saw. The bundle of corn to be tied in two places. If you would like to see a different class for 2020 please contact the Division Chairperson
