

DIVISION 17 - FIELD & SEED

DIRECTOR: Neil McKechnie (250) 306-5330 // mckechn@gmail.com

COMMITTEE: Ian McKechnie, Chad Martin

ENTRIES CLOSE - Friday, August 2nd, 2024

SPECIAL ATTENTION is called to the **General Rules & Regulations** printed at the beginning of the prize list.

Failure to abide by IPE rules may result in disqualification, forfeiture of prize money and possible disbarment from the fair.

EXHIBITOR INFORMATION

1. Exhibits to be grown in 2024 unless late harvested type crops.
2. Exhibits to be correctly labeled with name of variety. 10% of points will be deducted where correct variety name is not
3. Judging will be in accordance with rules in Circular #50C, available through Ministry of Agriculture. All seed inwritten on entry sheet of exhibitor.
4. Classes 1-14 inclusive must be grown by exhibitor and not previously shown at the IPE.
5. **Sheaf classes:** Must be tied in two places. First tie immediately below head and second tie proportionate to length of sheaf. The **diameter of the whole being 2½" (6 cm)** first tie. Conformity to this size taken into consideration by judge. Grain for making a sheaf does not need to be grown by exhibitor. **REMEMBER:** A well prepared exhibit of sheaves is a great asset to any show. See picture below.
6. **Sheaf building:** Great exhibit to set up. For convenience make a temporary mould. Line up the stem heads. discard the loose leaves as you go. Once the diameter is approx 3" tighten with a tie just below the head of the sheaf. Once the final length is decided you can add a second tie. Trim the stem so sheaf is even and can stand on table.

****Have a new exhibit idea?** Please contact the Division Director.
